Kevin Harris  Chair of the LLEP, Leicester and Leicestershire Enterprise Partnership

“The sport & physical activity sector is unique in its contribution to the economy of Leicester and Leicestershire. It provides both indirect and direct socio-economic impact on communities, in terms of social inclusion and community regeneration, and the health & wellbeing of individuals. The sector offers fantastic opportunities to shape our sporting and economic future in both the shorter and longer term and for this reason is identified as a key growth sector.

“Our ambition for the Leicester and Leicestershire area is to be the premier high-performing location for the business of sport & physical activity in England, containing innovative businesses providing world class sporting products and services and offering superb venues delivering economic, social and health and wellbeing impacts for our residents and visitors alike.”
Located in the heart of England with excellent road, rail and air connections.

This map demonstrates the approximate drive times from Leicester, Leicestershire and Rutland to connect with cities throughout England, highlighting those specifically within 3-4 hour drive time. The M1, M69 and M42 are just some of the key roads leading into the area.

East Midlands Airport connects the area directly with other part of the British Isles, Europe and further afield. Strong rail routes run directly into Leicester City centre with connections into the various towns and large villages throughout Leicestershire and Rutland.
